School Under Welfare
LITTLE ROCK (AP) — Rep. Doug Brandon of Little Rock said Sunday he saw no reason why the Boys Training School at Pine Bluff should not be brought under the state Welfare Department.

Brandon made his remark after Anthony Shock, superintendent of the school, issued a statement Friday attacking legislation Brandon and four others are sponsoring in the Arkansas House.

The bill would place the state's four training schools under a Division of Training Schools in the state Welfare Department.

Shock said that under such a setup non-offenders might be sent to the school instead of boys convicted of a felony.

Brandon said his measure would not change the present law and that boys who had not committed a felony would not be sent to the school.

"ENGAGED" TO MARRIED MAN

Dear Helen: My boyfriend and I have been going together two years, and got engaged three months ago. We'll be married this summer, if nothing goes wrong.

The problem is: his wife! About a year ago he walked out on her. You wouldn't believe how awful she treated him. Didn't understand him, complained about everything. He even had to lie to get spending money. She went to a lawyer and made him pay \$25 a week to support their two kids. She has a job and didn't need it, and we do, to start our married life.

But the worst is she won't divorce him, so he is going to divorce her, but we're afraid she'll make trouble in court and try to spoil things for us. She won't even discuss it, just goes around with her nose up in the air. She's got us on pins and needles. We're willing for her to keep the children, so what's she upset about?

We've got a nice church wedding planned and I know we'll be happy. How can we be sure his stupid wife will stay out of the way? - N. H.

Dear N: The way it looks from here, you can be sure of only this: One woman in your triangle is stupid, and it isn't the wife. If you've bought your wedding gown, trade it in on a "going away" dress - alone! - H.

Dear Helen: I'm in my 20's, have five children, two school age. My husband gets up at 5 a.m. to be at work at 7, as he has a considerable distance to drive. I want to get up and fix his breakfast, but if I do, I'm dragging all day. I can't nap, as the other three children need watching. I've tried tonics and vitamins; they don't help. My husband feels very hurt if I'm not up, and I feel guilty. Please tell me how a dragged-out mother can be pleasant, alert and civilized on six hours sleep a night? - TIRED AND GUILTY

Dear T and G: She can't. And

J. MARLAR (from page one)

that his son was missing and that when he arrived at Tucker later in the day he was told his son had escaped.

A spokesman at Tucker, who identified himself only as the "deskman," told The Associated Press, his voice raised in apparent anger, that if any information was desired to contact Bishop or Gov. Rockefeller.

Bishop said the four who escaped Sunday left around 10 a.m. He said Marlar just walked off at Cummins while the three at Tucker fled on horseback. He said the three had been rounding up some cattle.

Officers said the horses were recovered, but the escapees remained at large late Sunday night. Bishop said roadblocks had been set up in the areas of both prison farms.

Tucker is located in Jefferson County about 17 miles north of Pine Bluff and Cummins is located in Lincoln County about 30 miles southeast of Pine Bluff.

Marlar was sentenced to life in prison in December 1962 for the slaying of Thomas O. Bond in May 1962. He was charged with kidnapping Bond at Bossier City, La. Bond's body was found in Miller County in a wooded area near Fouke. Marlar was convicted in Lafayette County on a charge of venue.

Tunstall began a five-year term in 1965 on a conviction of grand larceny from Polk County. Marvel was sentenced to three years from Jefferson County in 1966 for breaking into vending machines. Smith was sentenced to three years in 1966 on conviction of forging letters. He was convicted in Mississippi County.

He said the other hearings will be at Mountain Home Feb. 17, at Little Rock Feb. 22, at Hot Springs Feb. 23, at Texarkana March 2, at Camden March 3 and at Marion March 9.

Merrit reportedly was serving time for burglary and grand larceny.

Shortly after the reports of the escape were received State Police in Little Rock told The Associated Press that the only

persons authorized to release information on the matter were Col. Herman Lindsey and Capt. Carl Miller, both of whom have unlisted telephone numbers.

Television and Radio

AP TV-Radio Writer NEW YORK (AP) - In Sunday night's "Bravo Picasso," NBC enlisted a communications satellite in an ambitious experiment to bring art, an ocean apart, to people in their living rooms.

We saw paintings and sculpture in museums of Paris, Dallas and Fort Worth, all the work of Pablo Picasso, now 85, from his teens to the present.

The effect was a guided tour, with commentary by Yves Montand, a friend of the painter, and art expert Aline Saarinen in Paris and Douglas Cooper, a Picasso expert, in Texas.

The auction of a big painting donated by the artist for the benefit of the committee to rescue Italian art was the least interesting part of the program.

Art auctions, even when conducted by satellite simultaneously in New York, London, Hollywood and Dallas are about as stimulating to watch as chess. The painting, "Reclining Woman Reading," was auctioned in the last few minutes of the show.

The Fort Worth Museum of Fine Arts finally got the painting - which had been insured for \$250,000 - for \$105,000.

The technical staffs stationed at various points did excellent jobs with lighting and cameras. "The Smothers Brothers Comedy Hour" had its premiere on CBS Sunday night with Tom and Dick involved in their usual wrangling interrupted here and there by some singing. Ed Sullivan appeared without anything to do. Jim Nabors sang a couple of songs. Jill St. John had a song-and-dance number with the chorus boys and was in a pretty dreadful sketch with Tom Smothers based on "Romeo and

Juliet." The two young stars may have a problem filling the hour if the first program is an indication of things to come.

"Skinny and Fatty," a charming Japanese film about the friendship of two little boys, started off CBS's "Children's Film Festival" in great style Sunday afternoon.

Kukla, Fran and Ollie served, with their usual warmth and humor, as hosts. The eight-year-old film had the voices speaking English, but they were all slightly accented, letting children know that although the little actors looked different and spoke a different tongue, they were very much like little boys at home.

ABC within a few weeks will reshuffle its daytime schedule, dropping "The Nurses," a soap opera, and adding a gossip-interview show from Hollywood and another game show.

Cardinals Deal Loss to Bobcats

BY LARRY DON WRIGHT

Hope Star Sports Writer

The Fairview Cardinals won their eighth straight game and at the same time avenged their only 4AA loss as they dealt the Hope Bobcats a humiliating 72-46, defeat at Camden Saturday night.

The two teams previously met at Hope January 6 when the Cats edged out the Cardinals, 51-50, in double overtime in the first district game for both. However, the Cards haven't lost since, as they currently lead the nine team district with a record of 8 wins and 1 loss.

Fairview's Barry McMahan, who is well on his way to becoming the district's leading scorer for the second consecutive year, tossed in 32 points even though he played a total of little over two and a half quarters.

A 6-foot senior with terrific spring in his legs, McMahan connected on 14 out of 16 field goal attempts. His specialty, the 15-foot jumpshot over the team-mate's screen, was the thorn in the side of the Bobcats all night. Most essentially it was what kept the Cats in the hole in the early going.

The Cats kept the pace through the early moments of play but late in the fourth quarter Fairview began to mount a lead. McMahan hit four jumpshots in the last minute and 15 seconds to bring the quarter score 22-12.

The Cards added 5 more points to this advantage through the remainder of the half to take a 40-25 lead to intermission. Bobcat Danny Griffiths left the game with five fouls with 2:10 still left in the first half.

There was still hope for the Cats even at halftime as one Cardinal starter had already fouled out and McMahan had four fouls to his credit as well. However instead of shrinking the difference in score only grew more and more through the third period.

Hope was able to register 4 points through the fatal third period which ended with Fair-

How the Top State Cage Teams Fared

Here's how the top ten teams in The Associated Press Arkansas high school basketball poll fared in games last week, with records in parentheses:

1. Leachville (24-1) beat Blytheville 49-39, beat Monette 65-33.
2. North Little Rock (17-2) beat Jacksonville 76-60, beat Little Rock Hall 61-59.
3. Harrison (24-1) beat Bentonville 71-49, beat Huntsville 80-36.
4. Blytheville (15-4) lost to Leachville 46-39, lost to Pine Bluff 67-66.
5. Whitehall (22-3) beat Wabbaseka 86-62, lost to Brinkley 58-52.
6. Searcy (14-1) lost to Little Rock Catholic 66-64, beat Russellville 61-50.
7. Greenbrier (33-2) beat Enola 100-46, beat Conway St. Joseph's 55-51, beat Mount Vernon 74-50.
8. Fort Smith Northside (11-5) beat Texarkana 58-37.
9. Springdale (16-3) lost to Fayetteville 73-69, beat Fort Smith Southside 68-56.
10. Little Rock Central (12-8) lost to Jonesboro 46-42, beat Little Rock McClellan 62-49.

view out front 63-29. With the situation evidently out of sight the reserves played the entire fourth quarter for both teams.

Scoring, which was a problem for the Bobcats produced no Hope players in double figures as Stan Parris was high with 8 points. Mike Franks had 7 while Mike Westbrook, Dwight Galloway, and Larry East all added 6. Luther Shaw, John Henley, and Danny Griffiths contributed 4 and Stan Reyenga had 1.

Yerger in Loss to Texarkana

BY JAMES HAMILTON

Saturday night here in Harris Gymnasium, the Yerger Tigers Junior and Senior Teams were both defeated by the Dunbar Tigers of Texarkana, Texas. The Juniors lost their game by a score of 45-35 and the Senior Boys lost 82-75.

The Junior Boys took the floor first playing the "B" team of Texarkana. The Tigers were the first to get on the scoreboard, but couldn't manage to hold on to their lead. The fast break of the Dunbar Tigers seemed to annihilate the Yerger Tigers momentum. Thus being at a disadvantage of playing a much more experienced team, the Tigers fell behind at the end of the first half by a score of 33-11.

Throughout the third and fourth quarters, the Tigers began to come back strong and cut the Dunbar Tigers 22 point deficit to only 10 points and allowed their opponents an additional 12 points to their first half score.

Enabling the Tigers to make such a comeback was Horace Johnson and Jerry Johnson, two new comers to the team whose stealing ability gave the Tigers their strike back.

Horace Johnson led the Tigers in scoring with 12 points and Jerry Johnson followed with 8 points.

The Senior Tigers in their game were up against one of the better teams!

better games in the conference, a team that had supposedly averaged 100 points per game and had an average height of 6'2".

The Tigers knowing that this would be one of their tougher games of the season, came out ready and willing to the full extremes to defeat this great team.

At the end of the first quarter, the Tigers led by a score of 11-10 as both teams seemed to be equal in rebounds despite the Dunbar Tigers height.

The Tigers now feeling very confident after the first quarter knew that they could possibly win this game. Under this impression led at the end of the half by a six point margin as the score was 34-28.

Coming into the third quarter, the Dunbar Tigers started to use their height and came back to tie the score once during the third quarter at 40-40, but the Tigers once again managed to slip away and ended the quarter leading 48-42.

In the fourth quarter, both teams were fighting desperately to win and thus by the end of the fourth quarter both teams had again matched evenly as the score was tied 70-70 and the game had to go into a three minute overtime.

In the overtime period was when the Tigers began to weaken and Dunbar was able to take the victory by a score of 82-75.

Bringing the Tigers from behind 10 times was Johnny Smith who scored 40 points for the Tigers. Next was Spencer Brown with 17 points. Leading for Dunbar was Harry Evans with 22 points.

Hope Girls Take Spring Hill Five

BY LARRY DON WRIGHT

Hope Star Sports Writer

Hope's Ladycats walked away with the winners trophy in the Sr. girls division of the Hempstead County Tournament by clubbing the highly lauded Spring Hill girls, 70-44, in the finals Saturday night.

The Ladycats Carol Anthony poured in 46 points to lead the winners, Saturday's performance gave her a tournament scoring total of 65 points in two games.

The Hope girls pulled away in the second quarter after having held a slim 13-12 lead at the end of one period. They carried a comfortable 31-19 advantage to the dressing room at halftime and it didn't end there.

The second half was Hope all the way as the Ladycats rolled to a 51-34 quarter command and on to 26 point margin of victory.

It was the Ladycats second win over the Springhill team in three meetings this season. Springhill won the first but Hope took an impressive triumph on their home court two weeks ago.

Spring Hill's phenomenal scoring threat, Betty McNeil, who has averaged over 40 points a game through the season contributed 31 for the runner ups.

The Ladycats took a decision over Blevins 59-30, in the Semifinals on their way to the tournament championship.

Other scoring for Hope came by Kathryn Coleman's 17 point effort and an additional 7 points from Gail Hartsfield.

U. S. Bobsled Hopes Dealt Severe Blow

ALPE D'HUEZ, France (AP) — The United States, which hasn't grabbed a world title since 1936, stands a good chance of taking the world's two-man bobsled championship, a former world champion says.

The championships opened today with teams from 11 countries competing. The U.S. is represented by drivers Robert Said, a real estate developer from Waccabuc, N.Y., and Howard Clifton, an Elmore, N.Y. businessman.

Bruins Almost Topped From Unbeaten List

By MIKE RECHT

Associated Press Sports Writer
Southern California, once a warm spot on UCLA's schedule, turned suddenly cool last weekend and almost froze the top-ranked Bruins out of college basketball's unbeaten ranks.

Only a thaw during an overtime period enabled the Bruins to overcome the Trojans 40-35 Saturday, run their victory string to 17 and avoid the upset of the season.

The rest of the Top Ten scored relatively easy victories, except ninth-ranked Vanderbilt, which fell victim to hot-handed Florida 83-75.

Highly-regarded Tennessee also had problems, losing to Mississippi 56-53 in overtime, and remained in an 8-2 tie with Vanderbilt for the Southeastern Conference lead.

UCLA remained the only major school with a perfect record when Toledo lost to Marshall 96-81, the Rockets' first defeat after 14 triumphs.

USC came within one last shot of leaving the perfect list vacant after two free throws by Lucius Allen tied the score for UCLA at 31-31 with 2:19 left in regulation time.

The shot missed, however, and UCLA broke the stall in overtime as Bill Sweek stole the ball twice for scores and Lew Alcindor, who led all scorers with 13 points, added another basket.

Southern Cal was bombed by the Bruins twice earlier, so the change of tempo did not surprise UCLA Coach John Wooden. But he warned others who try it.

"In the long run, the stall will kill the teams who employ it," he said as he prepared his club for home games this weekend against Oregon State and Oregon.

Fifth-ranked Princeton, which beat Harvard 66-59 for a 17-1 record, has been the only other ranked team faced with a freeze. But the Tigers survived, beating Dartmouth 30-16 earlier in the week.

Toledo could blame its fall on George Stone, who scored 31 points for host Marshall.

Skip Higley branded Vanderbilt with 22 points at Gainesville as Florida held third in the SEC with a 9-4 mark.

Dale Stevens' layup with four seconds left burned Tennessee at Oxford, Miss.

North Carolina, No. 2 at 14-1, stayed a step ahead of Duke and South Carolina in the Atlantic Coast Conference by easily beating Maryland 85-77 as Rusty Clark and Larry Miller each scored 20 points. The Tar Heels have a full week against Virginia Tuesday, Wake Forest Thursday and Georgia Tech Saturday.

Louisville, No. 3, revengeed one of its two losses in 20 games, holding off a late Cincinnati challenge for a 65-57 Missouri Valley Conference triumph. Westley Unsel had 19 points for Louisville.

The loss all but eliminated the defending champion Bearcats and left the Cardinals at 7-1 and headed for a Feb. 18 clash against Tulsa, 5-1, which lost out of the conference to fourth-ranked Texas Western 61-53.

Louisville faces Drake at Des Moines Wednesday and then third-place Wichita State, 5-2, at home Saturday.

Seventh-rated Kansas remained a half game behind Nebraska in the Big Eight after crushing Iowa State at Ames, Iowa, 68-50 while the Cornhuskers beat Kansas State 67-59 on the road. They meet in a showdown Tuesday at Lawrence, Kan.

Western Kentucky protected its No. 8 ranking, belting Middle Tennessee 95-62 for its 16th straight after an opening loss.

Houston, No. 6, and Providence, No. 10, were idle Saturday before springing into a week of three games each.

Willisville Wins Nevada County Title

In the finals of the Nevada County Tournament Saturday night at Emmet, Willisville teams took all the cake.

In the girls contest Willisville defeated Bodcaw 43 to 34. Butler for Bodcaw and Bailey for Willisville both had 30 points. Willisville Senior boys took the title with a 83-65 decision over host Emmet. McBride tossed in 25 for the losers while Willisville's Berry made 23.

Friday in the Junior Finals, Cale girls downed Emmet 49 to 23 and the Prescott Junior boys took Cale 46 to 42.

ICELOCKED. Orlando Kurtenbach of the New York Rangers (top) seems to have the better of some brief extracurricular activities with Ron Stewart of the Boston Bruins, during a National Hockey League contest at the Boston Garden.

Heavyweight Fight Slated for Tonight

By MURRAY ROSE
Associated Press Sports Writer
HOUSTON (AP) — Cassius Clay calls Ernie Terrell "a one-armed bandit." Terrell calls Clay "an incomplete fighter." They both may be right, but tonight they will battle for the undisputed heavyweight championship of the world and the millions that often go with boxing's richest prize.

Clay, 25, undefeated and generally regarded as the world champion, is a 4-1 favorite over a 27-year-old foe who has won 15 straight fights and is recognized as the titleholder by the World Boxing Association.

"I'm going to punish him," says Clay. "He's going to receive a Floyd Patterson humiliation beating."

The 6-foot-3 Clay gave Patterson a torturous whipping before the referee stopped that slaughter in the 12th round of their title bout Nov. 22, 1965.

"He doesn't bug me like he has some of the others he's whipped," said the 6-foot-6 Terrell. "His mouth isn't going to help him against me. I know I can beat him. I'm going to knock him out. And the beauty of it is that I'm going to get paid for it."

Clay will collect about \$750,000 and Terrell will earn upwards of \$250,000 for this long awaited

fight.

A crowd of 35,000 may pay about \$400,000 at prices ranging from \$5 to \$100 for Clay's eighth title defense and sixth within 11 months. The site is the magnificent Astrodome which can seat 60,000 for a fight.

The big money, however, will come from closed circuit telecasts to arenas and theaters in the United States and Canada, the live hookups by the communication satellites to England and Japan, radio, and the delayed tape telecasts in 24 other countries.

It will be the first event to be beamed simultaneously to both Europe and Asia by the satellites.

The telecast will be beamed to 165 locations in 130 cities in the United States, to 13 cities in Canada, and over 69 community antenna systems.

Clay will collect 50 per cent of all receipts. Terrell will receive 20 per cent of the Astrodome gate and 17 1/2 per cent of the ancillary rights.

The fight will start about 10:30 p.m., EST.

Clay, a pro since October, 1960, has racked up a 27-0 record including 22 knockouts. He won the title on a seventh round technical knockout of Sonny Liston on Feb. 25, 1964 and has beaten Liston (1), Patterson (12), George Chuvalo (15), Henry Cooper (5), Brian London (3), Karl Mildnerberger (12) and Cleveland Williams (3), in title defenses.

The third round knockout of the once-feared Williams was performed in the same Astrodome last Nov. 14 before a record indoor fight crowd of 35,

U. S. Bobsled Pair Has Good Chance

By PIERO DE GARZAROLLI
ALPE D'HUEZ, France (AP) — Driver Eugenio Monti and his brakeman, Sergio Siorpaes, the defending champions from Italy, won the first run of the two-man world's bobsled championship today as American hopes were dealt a severe blow.

The second and final run down the 1,000-meter Col de Pourtan ice chute was postponed until Tuesday because large sections of the ice coating on the chute gave way, causing a safety hazard to the 22 sleds from 11 nations.

Before the competition began, Stan Beham of Missoula, Mont., a three-time world champion who is acting as an advisor to the American team, expressed high hope for the U.S. No. 1 sled driven by Robert Said, a real estate developer from Waccabuc, N.Y.

"Said is an excellent driver and he can pull a big surprise," Beham said. "His sled is brand new and works like a clock."

However, Said finished 14th in 1 minute, 96-100 seconds, far off Monti's 58.43.

The U.S. No. 2 bob, piloted by Howard Clifton, an Elnora,

N.Y., businessman, was eighth in 59.23.

Said's brakeman is Philip Dupre of Raybrook, N.Y. In Sunday's final practice run the duo turned in the third fastest time. James Crall of Troy, N.Y., rides with Clifton.

The United States hasn't taken the title since the 1936 Winter Olympics at Garmisch, Germany.

Second place on the first run went to Austrian champions Erwin Thaler and Reinhold Durnthaler in 58.61. Wolfgang Zimmerer and Hubert Braun of West Germany were fourth in 58.59, and Max Kallenberger and Hans Ritzl of Austria were fourth in 58.72.

Southern S. Rolling to AIC Title

By THE ASSOCIATED PRESS
Southern State returns to the friendly confines of its own gymnasium this week as the Muleriders thunder relentlessly toward a second straight Arkansas Intercollegiate Conference title.

The Muleriders need only four victories in their next six games to clinch no worse than a tie, and if one of those triumphs came over State College of Arkansas, the magic number would be chopped to three.

Southern State, 11-1 in the AIC, beat Hendrix 83-56 Saturday night while Ouachita Baptist defeated Arkansas A&M 90-77.

Jerry Deatherage scored 17 points to pace the Muleriders while Gene O'Daniel had 13 for Hendrix. SSC led 35-27 at halftime.

The Muleriders currently hold a two-game edge over State College, 9-3 in the league. The two teams battle at Conway Feb. 21 in what now looms as the most crucial game left on the AIC schedule.

This week Southern State takes on Arkansas Tech Tuesday night and Ouachita Baptist Friday night. Both games are at Magnolia.

Tonight's AIC action matches Arkansas College at Henderson at Arkadelphia.

The five starters scored in double figures Saturday night as Ouachita raced past A&M. James Chancellor led the way with 21 points. A&M's Kelton Busby took scoring honors with 27 points.

Celtics Keep Up Torrid Cage Pace

By DAVE O'HARA
Associated Press Sports Writer
BOSTON (AP) — The Boston Celtics are racing at top speed and fans are shouting "They're off" in the team's stretch drive to overtake the Philadelphia 76ers in the National Basketball Association's Eastern Division.

"We're running more and, as a result, getting more shots — just the way we've done in the past," Boston player-coach Bill Russell said Sunday after the Celtics' 137-121 romp over the Cincinnati Royals.

The free-wheeling Celtics exploded for 71 points in the first half and breezed to their 12th victory in 13 games, as well as their sixth straight over Cincinnati this season.

The Celtics started out slowly against the Royals in their nationally-televised game, falling behind 10-4. They closed the gap to one point, 19-18, at the eight-minute mark.

Then Cincinnati ace Oscar Robertson suffered a split lip in a rebounding jam with Boston's John Havlicek. The Big O required six stitches and sat out the rest of the way, with his mates becoming disorganized in his absence.

Russell turned playmaker as the Celtics pulled away from a 32-28 first period lead. He set up six field goals with nifty passes in the second quarter and made only a token appearance after that.

Detroit, paced by Dave Bing, stopped St. Louis 114-104 on the Pistons' home court in another Sunday afternoon game. San Francisco nipped Chicago 142-141 in overtime and Philadelphia topped Los Angeles 130-123 in Sunday night games.

Bing tossed in 32 points, including eight in a last quarter drive that clinched it, as Detroit scored its first victory over the Hawks in six meetings this year.

Bob Boozer's two free throws tied the score at 127-127 for the Bulls at the end of regulation time, and a tip-in by Nate Thurmond with four seconds to go won it for San Francisco at Chicago. San Francisco's Rick Barry had 48 points.

Hal Greer threw in 35 points for the 76ers who got double-figure scoring from five other

players in winning at Los Angeles.

The Lakers made a bid in the final two minutes, cutting the lead to 126-121. But two foul shots by Green and Chamberlain's basket clinched it for Philadelphia. Jerry West scored 26, Walt Hazzard 25 and Elgin Baylor 24 for the Lakers.

Baltimore was idle Sunday, but discovered it will lose the services of team high-scorer Don Ohl for the rest of the season. Ohl, who has averaged 20.6 points a game, will undergo surgery to remove a torn cartilage from his right knee.

Ark. State Trying for Advantage

SAN ANTONIO, Tex. (AP) — Arkansas State College will try to take a one-game advantage in the Southland Conference basketball race tonight when the Indians face Trinity University here.

Arkansas State stung defending champion Abilene Christian 76-70 at Jonesboro, Ark., Saturday night. It was the Indians' second Southland triumph, both over Abilene.

Meanwhile, Trinity upended previously unbeaten Arlington State 77-74, dropping the Rebels to 2-1 and leaving Arkansas State as the only unbeaten team.

Sanders Is Stunning Upset Victim

By BOB MYERS
Associated Press Sports Writer
PALM SPRINGS, Calif. (AP) — It was something out of the book of golfing miracles, the stunning upset victory of Tom Nieporte over Doug Sanders in the \$110,000 Bob Hope Desert Golf Classic.

It was a triumph for a 37-year-old teaching professional who seldom plays the money tournaments and never was famous during the five years he journeyed over the nation on the PGA tour. His PGA winnings last year were \$890.

But this likeable, good-looking father of seven, with an eighth expected at his winter home in

Boca Raton, Fla., came through under pressure to win an admittedly welcome \$17,600.

He broke a tie with Sanders on the 18th green with a 12-foot putt for a birdie, a final round 69 and a 90-hole score of 349, 11 strokes under par.

The resplendent Sanders, playing behind the 6-foot-1, 185-pound Nieporte, had two holes to catch up.

Doug, seeking his second Classic win in a row here, came close on two long putts for birdies but couldn't get them.

The tournament concluded the winter swing through California. The \$70,000 Phoenix Open in Arizona follows this weekend. But Nieporte left Monday for home and then three tournaments in the Caribbean.

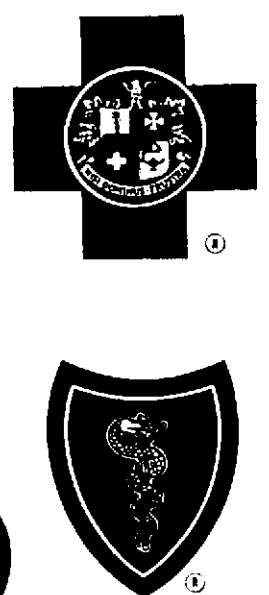

Such gallery favorites as Jack Nicklaus, Billy Casper and Arnold Palmer faded from attention as the final round went down to the wire between Sanders and Nieporte.

Nicklaus' 72 gave him 355. Casper had a 71 for 356 and Palmer dropped out of sight with 73 for 362.

Chi Chi Rodriguez finished third at 354 and tied with Nicklaus were Paul Harney, Bert Yancey and George Archer.

The 356 group included Bob Charles, Dale Douglass and Casper.

Sanders had a one-stroke lead over Nieporte as play began at the par - 72 La Quinta Country Club, with an estimated 30,000 fans swarming over the place.

BLUE CROSS BLUE SHIELD

REPORT TO MEMBERS

ARKANSAS MEMBERS needed their Blue Cross and Blue Shield protection 177,672 times during 1966. That's how many claims for hospital and doctor care Blue Cross and Blue Shield paid for them. Total of all these bills was \$13,736,194 . . . a whopping amount on any terms.

THE BIGGEST PAYMENT we made for one member's care during 1966 was \$5,240. Could you have afforded a bill like this?

OVER 3,000 Arkansas Blue Cross and Blue Shield members became parents of new babies last year. What does a baby cost? In Arkansas last year the average was \$330 per baby. Figured this way, that's almost a million dollars worth of Blue Cross and Blue Shield babies!

HOSPITAL CHARGES GOING UP

During 1966, most hospitals in Arkansas were forced to increase their daily charges for room, board and general nursing care . . . some as much as doubled.

IS YOUR ROOM ALLOWANCE ADEQUATE?

To find out what your membership contract will pay on this charge, check your Blue Cross-Blue Shield membership identification card. Your daily room allowance is shown in the lower right hand corner of the card.

MEMBERS NOW HAVE an opportunity to raise your allowance for room charges by \$2 . . . \$4 . . . or \$6 per day with only a slight increase in dues. Information on how you may make this change came to you in the mail. **BLUE CROSS AND BLUE SHIELD URGES YOU TO INCREASE YOUR DAILY ROOM ALLOWANCE NOW!**

With the costs of health care increasing rapidly, your Blue Cross and Blue Shield membership becomes more and more valuable to you each day. **KEEP IT . . . KEEP IT UP . . . KEEP IT ALWAYS.**

THE WELL CHILD

Let Child Set His Pace
In Learning to Speak

By WAYNE G. BRANDSTADT, M.D.
Newspaper Enterprise Assn.

Every child does not learn to talk at the same age. Some say a few words at 11 or 12 months and some say very little until they are three or more. Most children fall somewhere between these extremes. If your child is not talking by the time he is 14 months old you should have his hearing checked. If it is normal, relax. Don't try to pressure him by refusing to give him something he points at until he names it. If you want to teach your dog to sit up and beg, do so, but your child is not a dog.

The more a child likes you, the more he will want to be like you, so talk to him in a calm pleasant voice as much of the time when you are with him as you can. Some children never do say single words but at the age of about three they start talking in well-ordered sentences. It is said that Albert Einstein was over three years old before he started to talk. His parents were plenty worried but he

made out all right!

In some children undue pressure in other matters, such as toilet training, will make them hesitate to start talking. Their watchword seems to be: "Let's lick one problem at a time. Gee, mom, I can't learn everything all at once!"

Q—What should be done with a 7-year-old child who is nervous and high-strung?
A—Nervousness is a vague term that may indicate restlessness, easy fatigability, overexcitability, short span of attention or timidity without apparent reason. In some children these symptoms may be a result of being pushed beyond their mental or physical capacity, competition with older brothers or sisters or a reflection of anxiety in the parents.

The first step in treatment is to try to find the cause and correct it. It is important to let the child know that he is loved irrespective of his accomplishments and to arrange a well-balanced program of work, rest and play as well as a well-balanced diet. If the child is too serious, try to inject a little gaiety into the family life.

LEGAL NOTICE

IN THE PROBATE COURT OF HEMPSTEAD COUNTY, ARKANSAS.

NO SPEED DEMON, this little "shuttle car" might nevertheless solve some of today's traffic problems. Designed by a group of Syracuse University students, it would have a top speed of 20 m.p.h. for travel on neighborhood streets and would be powered by fuel cells. Other features would be a warning device against collisions, swivel seats for easy entry, and a unit to report such vital information as tire and road condition. The model shown here is in two-fifths scale.

WORLD ALMANAC
FACTS

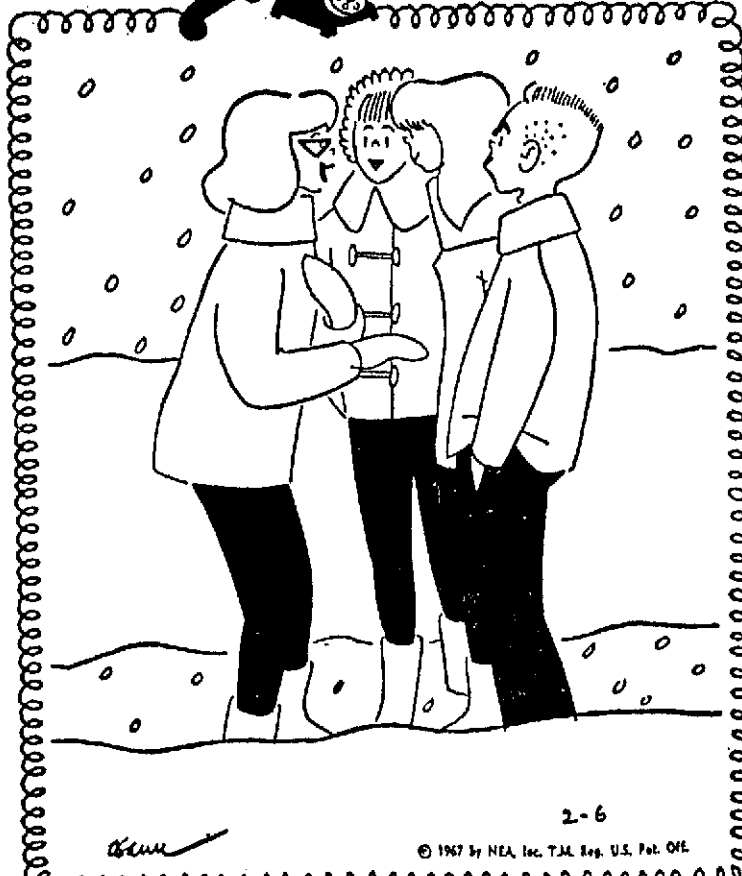

The Poet Laureate of England is the official poet of His Majesty's Court. He is responsible for producing appropriate verses for noted state occasions, says The World Almanac. Although no authentic record exists as to its origin, the post is known to have been held by Geoffrey Chaucer (1340-1400) who received a small pension and a yearly allowance of wine for his work. William Wordsworth and Alfred Tennyson were also Poets Laureate. Since 1930, the post has been held by John Masefield.

"Win at Bridge with Jacoby and Son" is the title of a new book that shows 131 hands taken from this column. The hands are grouped to cover various points of bidding and play.

Hand No. 5 illustrates the use of a three-card suit as the opening bid with a 20-point hand. This is not a forcing club bid. It is not a "short" club in the sense that some people use it. It is a three-card suit bid because it is just the best way to start out with this type of hand. If partner passes at one club you weren't going anywhere in any event and while you probably would prefer to play at one with a four-card suit you aren't going to be hurt.

This time South responds with one heart and North jumps to two spades and then to four hearts to show his great strength. South has nine high card points of his own but they look as if they might be just what the doctor ordered. The king-jack of clubs fit into whatever club holding North has. The queen of spades must help the spade suit, and there is nothing wrong about a five-card trump suit headed by the queen-jack-ten.

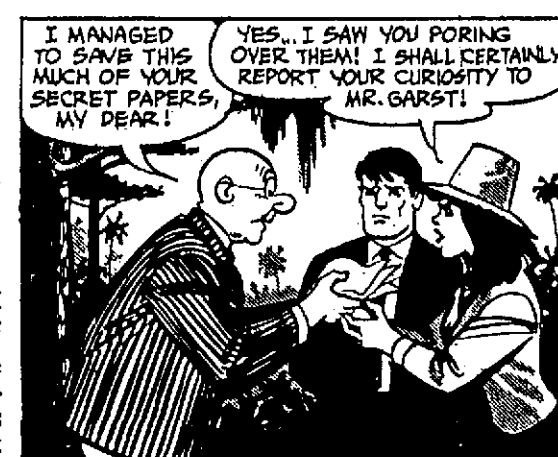

If North has a singleton diamond the slam should be in the hand. How can South find out about this? The answer is that he has an easy way to do so. He simply bids five hearts. When your side has bid three suits and you then bid five of your agreed major suit trump you are telling your partner, "This hand will make a slam if you can take care of the second lead of the fourth suit."

North is looking at his own hand. He sees those two little diamonds and passes.

West takes two diamond tricks and South claims the balance.

A—Bid five clubs if you can be sure your partner won't pass. Otherwise, just jump to six hearts. Your partner must be showing the ace of spades.

Hunting, Fishing Discussed

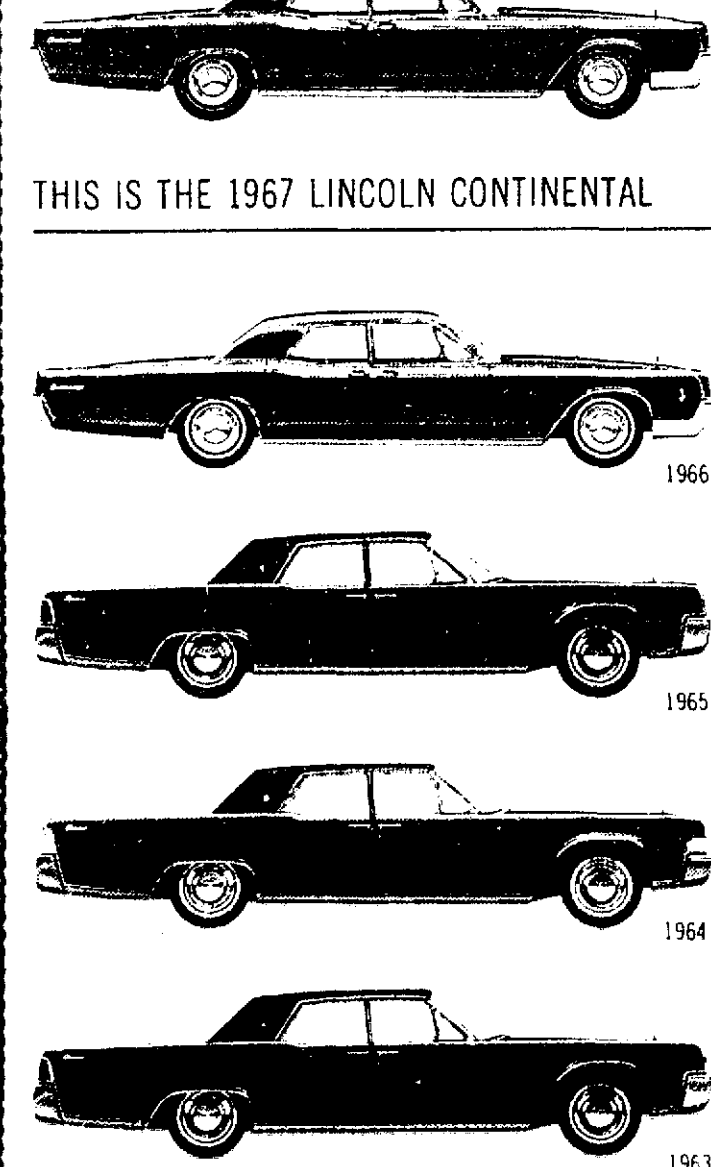

George Purvis, head of the Public Relations Department of the Arkansas Game and Fish Commission, had a program entitled "Arkansas, the Hunters' Paradise" at the Hope Rotary Club last Friday in the Town and Country. A colored film of every type of hunting offered in Arkansas was shown to an appreciative audience.

The guest speaker introduced by program chairman Cecil Bittle, gave a brief history of the Game and Fish Commission, organized in Arkansas in 1915. He explained that the self-supporting commission depends entirely upon revenue from the sale of licenses and from fines collected.

Bob Myers, also of the Game and Fish Commission and from Little Rock, was a club guest. President Paul Klipsch welcomed him and other guests that included Glen Farmer, Richard Keyton, Floyd Leverett, and Al Zimmerbauer.

War Emperor Could Emerge Derby Hopeful

By TED MEIER
Associated Press Sports Writer
War Emperor could emerge this week as California's main hope for the Kentucky Derby.

The unbeaten 3-year-old heads the field for the \$25,000 San Vicente Stakes at Santa Anita Thursday, and a victory could be a big step on the road to Churchill Downs.

The royally-bred Round Hill Ranch colt, by Native Dancer out of War Empress, by War Admiral, won the Los Feliz Stakes in his last outing and probably will be favored to make it four in a row in the seven-furlong San Vicente. He worked out the distance last Thursday in a sharp 1:25 4-5.

The San Vicente is a stepping stone to the March 4 Santa Anita Derby which, along with the Flamingo at Hialeah on March 3, generally provides a clue to the starting field for the Derby.

In Reality and Reflected Glory already have won the stepping stones to the Flamingo at Hialeah. In Reality took the Hibiscus and Reflected Glory the Bahamas Stakes.

Advocator, \$6,40, and Miss Moona, \$10,40, won last Saturday's major stakes. Advocator beat Quintia by 1 1/2 lengths in the \$64,200 Seminole Handicap at Hialeah while Miss Moona scored by a nose over Maintain in the \$62,300 Santa Margarita Handicap at Santa Anita.

U.S. Skaters Could Take Four Events
L J U B L J A N A, Yugoslavia (AP) — Americans were given a good chance against Europe's best in three of four categories in the world championships later this month in Vienna after the 1967 European figure skating competition Saturday.

Defending world titleholder Emmerich Danzer of Austria appeared unbeatable as he easily won the men's division, but he could receive more competition at Vienna from Gary Visconti of Detroit.

Visconti, the new U.S. national champion, finished third in 1966 behind Danzer and Wolfgang Schwarz, also of Austria. Visconti is known as a formidable free skater, a class in which Schwarz did not distinguish himself here.

Defending world champion Peggy Fleming of Colorado Springs, Colo., will oppose Gabriele Seyfert of East Germany, Europe's new gold medalist.

Cynthia and Ronald Kaufman of Seattle, Wash., who finished third last year, are American's best bet in pair skating behind Russia's legendary Ludmila Belousova-Oleg Protopopov team. The Russians won another European gold medal, although their performance was below their usual Bolshoi Ballet standards.

Cold Wave Swings Across U. S.

By THE ASSOCIATED PRESS
A wave of bone-numbing cold swept into parts of a nine-state area today as the latest of a series of killer snowstorms moved into the Eastern Seaboard.

The latest storm brought delays in transportation, school closings, frustration and death to many areas.

Cold-wave warnings were posted today for parts of nine states from Wisconsin to Illinois to western Texas and Nebraska.

And in New Orleans, heavy rain drenched the costumes but not the spirits of revelers at the annual Mardi Gras parade.

The Weather Bureau early today posted tornado warnings for parts of coastal areas in eastern and south-central Texas and southwestern and central Louisiana.

Also forecast for the region were severe thunderstorms with large hail and locally damaging winds.

The latest of three successive storms gave snow-weary Chicagoans up to eight inches more and deposited up to 11 inches in the driveways of their suburban neighbors.

Some Chicagoans haven't seen their cars since the first storm dumped 23 inches on the city 13 days ago.

"It's just like white cement," said one young man as he tried to shovel his sports car out of a drift. "Even if I do get it out the streets are so bad I'll be afraid to drive it."

Chicago's new snowfall gave it a total of 36.5 inches from the three storms—more than it normally gets in a year. About 27 inches are still on the ground.

Blowing snow piled drifts in highways in northeast Illinois and central Indiana. A line of 56 cars stalled on a long "S" curve of Illinois 136 just west of Rantoul. Two snowplows trying to rescue the motorists snagged in drifts. It took highway crews three hours to free the plows.

Deaths were reported in the wake of the storm from the Dakotas through Michigan.

The bodies of a South Dakota rancher and his wife were found Sunday in the icy waters of a creek, only a few hundred feet from their home. Police said the couple had abandoned their car in a snowstorm, then fell through the ice while crossing the stream.

A search party, alerted by reports of an abandoned car, found another South Dakota man wandering in a field in 4-below-zero temperatures. The man, Walter Leidell, died on the way to a hospital.

In Cleveland and Chicago and other cities, several persons, mostly elderly, died in front of their homes while shoveling snow. Doctors said the deaths were probably due to heart attacks.

Shop Dresses Up for Open House; More Letters

With an all-new offset printing plant — the Berkey four-color unit completed our machinery-purchase schedule which started in September 1965 — Hope Star today begins a modest remodeling job on the building to make the old composing room look more like a beauty salon than a newspaper shop. It's the final step before we hold Open House, giving the public an inside view of offset machines and their operation, at which time we'll invite Mrs. C. E. Palmer of Texarkana, my partner, to come over and press the starting-button of the big press and dedicate our new plant.

All the construction will be in the shop area. Some of it will raise the eyebrows of oldtime newspapermen and printers. One of the unlabeled areas of the old plant was the stereotype room where paper matrices were cast into hot metal for national news pictures and display advertisements — an inferno of heat and smells and scrap metal. It's been unused and dark seven months, and the eight tons of metal that used to be its life-blood has been sold off to other newspapers.

The old stereotype room is being relocated and rebuilt and furnished as a women's lounge — testimonial to the fact that the newspaper now employs more women than it does men.

The old shop floor was plain-vanilla concrete. It will be floored with dress tile. And the entire shop will be given new light fixtures and a decorating job.

One of the pressing utilitarian needs is storage room for the vast bulk of supplies required by offset printing. We lost our original storage space when it had to be cannibalized to make way for the big press and the twin photographic darkrooms. The south wall of the shop will be lined with new cabinet work.

And when it's all done we'll invite you in for Open House.

Here is another letter on our initial four-color picture presentation Saturday, Jan. 28:

Editor The Star: I called yesterday (Jan. 31) to compliment you on that magnificent four-color print of hawg-killing time, but you were out somewhere drinking coffee or making double-exposures of pretty girls or some such. The quality of that color reproduction in your paper was amazingly good and you ought to be mighty happy about it. Most of your readers won't understand how much expense and effort goes into it, but I'm confident they'll be watching for more of the same. . . . I'd like to see your color shots of the War Eagle Fair (October 1965.)

ERNIE DEANE

Ed Note: Ernie Deane is former Arkansas Traveler columnist for Arkansas Gazette. Answering his questions:

1. I was out for coffee. It's not the season for bathing beauties.

2. Presentation of our second four-color picture — Spring shot of children around a flowering crab-apple tree in Ray Turner's backyard — is delayed because this week we have to get out 5,000 copies of Jan. 28's front page only, for Berkey Technical Corp., New York, who will use it in coast-to-coast promotion of their new machine.

3. Sorry about War Eagle Fair. The black-and-whites were O.K., and we printed them — but the 4x5 Ektachromes were no good. This is a relatively slow color film, and between a pitch-dark tent and a Sunday crowd of 10,000, 1 "busted" the assignment. But I'll be back next October, trading on the assumption that professionals don't make the same mistake twice!

Former Member of House Dies

HOT SPRINGS, Ark. (AP) — Allen D. Shelton, who represented Poinsett County in the Arkansas House from 1925 through 1930, died in a Hot Springs hospital Sunday. He was 75.

Shelton became city attorney here in 1947, serving through 1958 when he opened a private law practice.

Car Plunges Into Bayou, 5 Drowned

By THE ASSOCIATED PRESS
Five persons drowned Saturday when the car in which they were riding plunged into Bayou Meto about two miles south of Lonoke on Arkansas 31.

They were among six persons who died in Arkansas traffic accidents during the weekend, an Associated Press count showed today. The toll of traffic deaths covered the period from 6 p.m. Friday until midnight Sunday.

State Trooper Bill Brashear identified the victims in the accident near Lonoke as Shirley Yancey, 19; Carolyn Yancey, 17; Nathaniel Spring, 18; John Walker, 18; and James Dodds, 18, all of whom were serving a life sentence for first-degree murder, were from Lonoke.

Two others from Lonoke, withheld from the news media Charles Lee Mitchell, 16, and Ernest Terry, 21, survived with only minor injuries.

Brashear said the car entered Bayou Meto two miles south of here on Arkansas 31, Rockefeller, through an aide. He said the car traveled 354 feet from the point where the driver apparently lost control. The five bodies and the car were recovered.

Bill Moody, 18, of Mountainburg was killed Saturday when the car in which he was riding left the Fort Smith Dam Road and struck an embankment. Moody was riding in a car driven by Jimmie Jones, 21, of North Little Rock.

Phillips Revenue Inspector Fired

HELENA, Ark. (AP) — The Phillips County state revenue inspector has been fired and two of his employees have resigned because of what they termed an injustice to their former boss.

W. D. Kizer, inspector here for six years, said he was notified by telephone that he had been dismissed. He said the notice came from N. S. Hawley, personnel director for the department.

Mrs. Theda Jordan, an employee for 13 years, and Mrs. Faye McGrew immediately resigned.

Students to Observe Safety Week

The week of February 6-10 is being observed by the students of Hope High as "Safety Week." The kickoff message was given Monday morning by Fred O. Ellis, chairman of the committee. Contests for safe driving and slogans were opened.

Don Griscom, Assistant Safety Director of the Arkansas Farm Bureau Federation will present a film and a braking demonstration will be enacted on South Walker Street. These events will take place Tuesday.

Wednesday, student cars will be checked by the Hope policemen with the aid of the Key Club. A safety quiz will be given in each English class on this day and the slogan contest will end.

Thursday, State Trooper Dean Friend will present a program in the auditorium.

Friday will be marked by the closing assembly where safe driving awards, cash awards for slogan winners, and class percentages on the quiz will be given.

During the week a wrecked car will be placed on the campus, daily messages will be read over the intercom, and groups of Student Council members will check the driving habits of the students on the campus.

This is the third year for this Student Council promotion on Safety.

RFK Reports to LBJ on Peace Feeler

WASHINGTON (AP) — Sen. Robert F. Kennedy will discuss Vietnam with the White House and State Department amidst reports he has received an indirect Hanoi "peace feeler."

Newsweek magazine said in its Feb. 13 issue that when Kennedy was in Paris last week a French official gave him a message from North Vietnam indicating its willingness to negotiate the war in three stages if the United States stops bombing the North.

Asked about the report Sunday night, Kennedy said through an aide he would not comment until he discussed the situation with the White House and State Department. He would not say whether he means to see President Johnson personally and no date for the talks was mentioned.

Hanoi also said in the official party newspaper Nhan Dan today that peace talks could begin if the bombing stopped. The article, reported in Tokyo, did not list withdrawal of U. S. military forces from South Vietnam as a precondition to opening talks.

The article commented on Johnson's news conference of last Thursday, in which Johnson said he was "not aware at this moment of any serious effort that the other side has made in my judgment to bring the fighting to a stop or to stop the war."

The Nhan Dan article called Johnson's statements "arrogant and belittling."

Newsweek said another Hanoi-originated peace feeler was sent to Washington last week from a foreign capitol, thought to be Cairo.

At the United Nations, informed sources said Pope Paul VI is trying to extend the coming lunar year truce to create an atmosphere for peace talks. The truce begins Wednesday.

These were the major weekend events in the field of peace talk.

But in military-oriented developments in Washington:

— Pentagon sources said the United States has lost nearly double the number of aircraft announced by the Pentagon, because some categories of Vietnam losses have not been previously listed.

— Information reaching here indicates that Soviet arms aid to North Vietnam is declining but remains substantial.

— Some military officers expressed private anxiety that the bombing of the North may be stopped in exchange for what they call something less significant.

— Sen. Stuart Symington, D-Mo., a former secretary of the Air Force back recently from Vietnam, said Washington civilians are directing too much of the day-to-day tactical fighting of the war.

Kennedy returned Saturday from a 10-day trip to European capitals during which he said the next few weeks are "critical and crucial" to the quest for peace. But he mentioned no peace feelers.

Minister Found Shot to Death

WEST MEMPHIS, Ark. (AP) — The Rev. Tom Martin Carey, 40, of West Memphis, a taxi-cab driver and part-time minister, was found shot to death in his cab here Sunday.

Police said Carey, a Baptist minister without a full-time church, had been shot in the back of the head with a .22 caliber weapon.

An investigation was continuing and officers said robbery may have been the motive. Relatives told police Carey had about \$100 in his wallet.

The wallet was missing but police said money tucked in his front shirt pocket had not been taken.

\$123,000 Grant to State College

CONWAY, Ark. (AP) — The Department of Health, Education and Welfare has given State College of Arkansas a \$123,000 grant which will be used for fellowships and traineeships in special education and to strengthen the department, a school official said.

\$25,676 Paid to 55 Members of the Hope Guard Unit in 1966

AP News Digest

VIETNAM

The 55 members of the Army National Guard unit at Hope, Company B, First Battalion, 153rd Infantry, received wages totaling \$25,676.64 in 1966, it was announced today.

Sgt. Claude H. Byrd, the unit's administrative and supply technician, said the amount included the wages the men received for 12 weekend drills and the annual two-week summer camp at Fort Chaffee, which was held in August.

This is the equivalent of the payroll of a small industry and most of the money is spent annually in Hope, Byrd said.

Under the National Guard program, a man can attend a maximum of six months of active duty training in the Army and then return to his home unit to drill one weekend a month for five and one-half years to complete his military obligation.

Three members of the unit, David L. Guerlin, 22, son of Dr. and Mrs. Lloyd Guerlin of 908 South Main Street; Felix H. McClellan, 22, son of Mr. and Mrs. H. W. McClellan of 515 South Walnut Street; and John C. McRoy, 22, son of Mr. and Mrs. Arvel McRoy of Route 4, Hope, left for basic training at Fort Polk, La., on January 9.

Earl Ray Murphy, 22, son of Mr. and Mrs. Emmet Murphy of 803 East Sixth Street left for basic training at Fort Polk January 30. They will be there for five months before returning to the Hope unit to complete their obligations.

WASHINGTON
Sen. J.W. Fulbright says he has just about given up hope of getting Secretary of State Dean Rusk to testify at public hearings on foreign policy.

The Johnson administration is moving to shore up its political bases for the 1968 election.

The Jesuit priests who teach in some of the nation's biggest Roman Catholic universities are given freedom to try experimental programs.

Each time he told committee officials the press of other business would make it impossible to commit himself.

Rusk already has testified at a closed session but some members are eager to question him publicly. Fulbright said in an interview he has about concluded that Rusk will not testify in open session.

"I should think he would like to defend the administration's position," the Arkansas Democrat said. "But if he doesn't want to testify I have no intention of pressing him."

Reminded that Rusk considered last year's attacks unwarranted, Fulbright said he is interested only in finding out where U. S. policies are leading. He conceded he could not control the questioning of other members.

U. S. Troops Launch Big New Drive

By ROBERT TUCKMAN
SAIGON, South Vietnam (AP)

U. S. troops have launched a big new drive against the Viet Cong's jungle bastion in War Zone C. U. S. officials also disclosed today that chemical spraying American planes have started defoliation of the southern half of the demilitarized zone to expose North Vietnamese invasion routes into the South.

In other developments: American ground forces reported killing more than 100 enemy soldiers in a series of engagements.

Air Force B52s staged two raids, one against War Zone C and the other just south of the demilitarized zone separating the two Vietnams.

U. S. tactical bombers flew a record 565 sorties against Communist positions and troops in South Vietnam.

Over North Vietnam, U. S. Air Force planes tangled with Communist MIGs during strikes close to Hanoi Sunday. Four F-4C Phantom jets took on eight MIG17s in a fire exchange but no damage was reported to either side.

The aerial duel came while Air Force F105 Thunderchiefs pounded a big army barracks at Xuan Mai, 20 miles west-southwest of Hanoi. The raid against the 400-acre barracks area was the closest to Hanoi since Jan. 15, when U. S. planes attacked an oil depot 14½ miles north of the Communist capital.

The first of six flights over the barracks area reported silencing three antiaircraft guns. Other pilots reported destroying three buildings and starting numerous fires.

U. S. spokesmen said the area was a training ground for antiaircraft crews and had facilities for two battalions, or about 1,200 men.

American pilots flew 113 missions against targets in the North Sunday, the highest total since Jan. 4, when 116 missions were registered. A month of bad weather followed.

U. S. pilots claimed damage or destruction of 29 antiaircraft sites, 12 storage and supply buildings, seven bridges and 21 cargo barges.

The big new ground campaign in the Viet Cong's War Zone C, named Operation Badsong, was launched last Thursday by some 8,000 or more American troops.

In support of it, B52 bombers struck the area in seven raids including a strike today about 60 miles northwest of Saigon.

U. S. spokesman said an incomplete assessment of damage from the raids including uncovering of three Viet Cong base camps, destruction of seven bunkers, cutting of numerous roads and 12 secondary explosions that indicate hits on fuel or munitions.

In the ground drive, troops of the U. S. 25th and 4th Infantry Divisions and the 196th Light Infantry Brigade moved into blocking positions just east of the Cambodian border.

War Zone C, opposite the frontier and roughly 60 to 70 miles northwest of Saigon, has long been a major stronghold of the Viet Cong and reputedly holds the national headquarters of the so-called liberation forces.

North Vietnamese army regulars are also thought to be operating in the area.

Trooper Hurt in Accident

HUNTSVILLE, Ark. (AP) — State Trooper Bill Moore escaped serious injury Sunday night when his car left Arkansas 16 south of Huntsville after being shot at from a car he was pursuing.

State Police headquarters here said Moore was chasing the car near the county line between Madison and Newton counties when the shot was fired at him.

Moore radioed headquarters of the incident and requested that an ambulance be sent for him. He was treated for minor injuries and released from a Huntsville hospital, officers said.

Road blocks were set up in the area but no one was captured Sunday night.
